

The primary purpose of The Shepherd's Rod publications is to unlock the long concealed mystery concerning the ever challenging and much discussed subject of the 144,000 (Rev.7), with the central object in view of bringing about among God's people that great reformation foretold by the Spirit of Prophecy, (8T 251) the ultimate end of which is the setting up of the Kingdom.

The truths revealed are of supreme importance to the church just now because of the foretold dangers which God's people are soon to meet, and which call for decided action from ministry and laity alike, to separate themselves from all worldlings and worldliness, and to anchor themselves on the Solid Rock, by obedience to all the truth known to the church, if they would escape the great ruin. "The Lord's voice crieth unto the city, and the man of wisdom shall see thy name: Hear ye the rod, and who hath appointed it." Micah 6:9.

The main subject in Volume One of The Shepherd's Rod, is the 144,000, with a call for reformation. As a correct understanding of this subject is a life-and-death matter to all, the contents, therefore, have been divided into seven sections, each section giving proof from a different angle, and all urging God's people to prepare for the impending doom foretokened by the slaughter weapons of Ezekiel 9.

No new doctrines are taught; rather the old are illuminated by the wonderful light shining from its pages upon many heretofore dark scriptures. No new movement is advocated; on the contrary such is absolutely opposed. And finally, irrefutable proof is brought forth that the Seventh-day Adventist church has been the instrumentality used of God since 1844 to carry on His work.
